

## Greiner Bio-One E-Mail News

In the future, we would like to inform you about current issues via e-mail, as it is a fast, efficient and ecologically-friendly means of communication.

With your agreement, we will use e-mail to inform customers about upcoming product modifications and innovations, new publications and special offers, as well as send invitations to Greiner Bio-One webinars, trade fairs and conferences.

The Greiner Bio-One e-mail newsletter will deliver up-to-date information about Greiner Bio-One 2-3 times a year. We would like to reduce the number of paper mailings sent and instead inform our customers via e-mail about relevant topics such as product optimisation activities or packaging modifications.

Stay up-to-date – with Greiner Bio-One e-mail news!

## Information on data protection

### Declaration of consent for data protection

1. We are particularly careful regarding the data safety and protection for the recipient of this newsletter. As a matter of course, we observe the relevant statutory directives for data protection, in particular the Federal Data Protection Act (BDSG) and the German Broadcast Media Act (TMG) in their applicable versions.

2. During the dispatch of the newsletters, personal data, will be obtained, saved, processed and used, if it is necessary for the dispatch. You provide us with this data when you register for this newsletter, or, if applicable, it is taken from our database for existing customers. Personal data are the personal and material facts of a determinate or determinable natural person. It is of course also possible to register under a pseudonym.

3. By registering for this newsletter, you declare that we can use your details provided during the registration and, in case of existing customers your existing data, for the purposes of consultation, information, advertisement via e-mail, market research and demand-based structuring of services. We will not forward your data to a third party that is not connected to our company and is not involved with the activities related to this newsletter or our company.

4. By registering for this newsletter, you declare that we can send our newsletter to you via e-mail to the e-mail address provided by you.

5. You can withdraw your consent for obtaining and processing your personal data at any time with effect from a future date, particularly the consent mentioned in Point 3 above. You can terminate your subscription to our newsletter at any time. An informal mail to our company is sufficient for this purpose. Preferably, you can unsubscribe online using the form available at [www.gbo.com/bioscience/registration\\_news](http://www.gbo.com/bioscience/registration_news) or via e-mail to the following address: [marketing@de.gbo.com](mailto:marketing@de.gbo.com)
